Spring 2016 Growth Groups

March 20th– May 29th

Growth Groups are groups of 8 to 12 adults who meet once a week to fellowship, study God's Word, and support one another through prayer.

The goal of each Growth Group is to grow in relationships with one another and with Christ.

"And let us consider how to provoke one another to love and good deeds,
not neglecting to meet together, as is the habit of some, but encouraging one another. . ."
– Hebrews 10:24-25

Welcome the Spring 2016 Semester of Growth Groups! Unless otherwise noted, all groups will be doing a sermon/scripture based study.

  All are welcome. This is a general, mixed ages group, generally families with elementary aged kids and up, with childcare provided for younger children.
  Leaders: Joel and Rachel Peters.

WHAT IS A GROWTH GROUP?

Growth Groups are groups of 8 to 12 adults who meet once a week to fellowship, study God's Word, and support one another through prayer. The groups also commit to serve together in the community at least once during the semester.

WHY DOES OUR CHURCH BELIEVE GROWTH GROUPS ARE SO IMPORTANT?

Our mission behind Growth Groups is to help us grow in relationships with one another and with Christ. We find these small gatherings of folks to be primary in our church mission of making and growing disciples who give their lives to make a difference in the world.

HOW LONG IS THE SPRING SEMESTER?

Spring 2016 Growth Groups will begin meeting the week of March 20th and will meet for a total of 10 weeks. The Spring 2016 semester will end the week of May 22 or 29.

WHAT WILL THE GROUPS STUDY?

Most groups will be doing a sermon and scripture-based study. You will listen to the sermon on Sunday (or online during the week if you can't make it to church) and discuss it and the scripture at your Growth Group. **Other groups will be doing a study of their own choosing. See the description for each group for more information.**

WILL CHILDCARE BE PROVIDED?

Yes! Many groups have childcare provided. See the description for each group for more information.
