- 2) In case of a tie for tournament seeding at the end of the season, the following tie-breaker procedure will be used to determine places:
 - a. Head-to-head results between teams tied. If all tied teams did not play head-to-head games against each other, head-to-head results will not be considered and tie breaker c will be used.
 - b. If teams split in head-to-head games, points against in those games will be used.
 - c. If teams are still tied, points against in all league games for the teams tied will be used.
 - d. If teams are still tied after the first three tie breakers a coin flip administered by two (2) members of the Upward Staff will be used to break the tie.
 - e. After first place team has been determined, revert back to "a" (above) to determine second places from remaining tied teams.
